Poolside Service

Ashley had her lips wrapped around my cock. Her head, white-blonde from the sun, was bobbing up and down in time to the beat of the music in the cabana.

During the few days I had known her, the hot college freshman had flirted with me non-stop. But I never thought she'd be sucking my cock and doing such a damn fine job of it. I had a beer in my hand, while watching her doing me, and I didn't think life could get any better.

I had been thinking horny thoughts about Ashley ever since she served me my first poolside beer. There were several other hot waitresses at the resort, but Ashley caught my eye. She was tall and lithe with long, toned legs and a firm ass. But what really stirred my cock were Ashley's nipples. Her tits were small, but her nipples were the size of her delicate fingertips, long and round and always hard.

I'd come here on business, but I was actually spending a lot more time at the pool than I was with clients. During my second day, Ashley suggested I rent a poolside cabana to get out of the sun. She told me with a wink that the cabanas were equipped with a buzzer that you just press when you wanted service. I winked back and asked if she would service me if I pressed the buzzer. She giggled and said she would.

I had just pressed the buzzer in the cabana and was sitting in a lounge chair when Ashley walked in with a cooler. She set down the cooler and closed the front flaps on the cabana. Then she straddled the lounge chair and sat herself on my rock-hard cock.

"Well, Donny," she said, licking her lips. "I'm here to service you." I was pleasantly surprised, then amazed, when Ashley bent her

head down and began kissing my chest. She sucked and licked my nipples while grinding her pussy into my cock. I stuck my hand in her bikini top and took a handful of her tiny breast. She was all nipple, and my cock grew even harder when I played with those rock-hard knobs.

I pulled her up to me and popped one tit entirely in my mouth. I licked her pink peaks, sucking hard, and felt her nipple actually grow longer and harder in my mouth. She gasped. I grabbed her other tit and traced circles around her small areola. Then I moved my mouth to the other tit and sucked it.

Ashley pulled away from me, stood up, and took off her bikini top. She sat me upright and knelt in front of me. When she pulled down my swimsuit, my hard cock stared up at her.

Ashley pressed her lips to my pulsating cock. She kissed along my big blue vein, flicking her tongue all over it. She licked around the swollen head, her tongue teasing me by flicking faster and faster. She licked down my shaft and kissed my sac. Her tongue and lips flitted over my balls. She caressed them both and then took each one in her mouth. Usually when chicks play with my balls, they get way too aggressive, but Ashley had a soft, gentle touch that was soon driving me crazy.

After tonguing my balls, she moved back up my cock. She licked it up and down and then took the whole thing in her mouth. She sucked hard, taking my cock all the way

down her throat. That's when I was thinking things couldn't get much better.

I was wrong.

Ashley seemed to sense that I was going to come and slowed down. She took her mouth off my cock and moved her hands down to my balls, kneading them. I calmed myself down, and my breathing returned to normal. She looked up at me, saliva dripping out of the corner of her mouth.

"Did you like that?" she asked.

"Oh, god, yes," I answered.

She smiled, reached over to the cooler, and grabbed a piece of ice. It dripped on my cock as she brought it to her lips. She sucked on it and then popped it in her mouth. Grinning, she plunged her mouth over my cock. The sensation of the cold ice cube and her hot mouth drove me into a frenzy. I groaned. This seemed to urge Ashley on, because she sucked harder and faster. I was ready to squirt my load, but this was one of the best blowjobs I had gotten in my life, and I didn't want it to end. Ashley moved her hand to my cock and moved it up and down along with her mouth. Her nipples were so hard that they were poking into my thighs. Not being able to stand it anymore, I let go with a groan. Ashley moved back and opened her mouth wide. My hot load spewed down her throat like a cannon-blast.

I lay back into the chaise longue, exhausted. Ashley got up and put on her bikini top. She moved up to the top of the chair and pressed her lips to mine. I could taste my cum on her mouth.

"I'll be back in an hour to check on you," she winked at me. "I'll bring some more ice."

I was too spent to answer, so I just nodded.

She picked up her tray, and I watched her pert ass wiggle as she walked out. I spent the rest of the trip in the cabana with Ashley.

Guess where I'll be going on my next vacation...

— Donny, New York

Wedding Fling

Weddings make me horny," Elise said. "When Marcia said 'I do,' I just about

creamed in my panties. Here, see for yourself!" With that, she hiked her bridesmaid's dress nearly to her waist. She jerked her moist panties down and let them dangle from one ankle while she used two fingers to part the lips of her slick pussy. They were swollen and open as if puckered for a kiss. I licked my lips and watched her free hand reach out to grab my cock, which was so hard it was ready to rip out of my tuxedo.

"My clit needs a tongue so bad," she whispered, using the tip of a finger to rock her pink, swollen clit gently from side to side. "Come on, please, lick me, just a little," she pleaded in her sexiest whisper.

"What if the limo driver sees us?" I muttered, even while my head was moving down toward her juicy pussy. I could smell her excitement, and the aroma of hot pussy melted the last of my will power.

"Hurry, we'll be at the reception in 10 minutes. Make me come on your face, please. My pussy needs your tongue really bad."

While my tongue licked slowly up and down the length of her juicy pussy, she squirmed and dug her fingers into my scalp. Her bottom began to hump, and soon she was gasping for breath. I cupped the cheeks of her naked ass and massaged the soft, hot flesh while I gobbled the hot, slippery lips of her pussy. Her hips humped to meet my probing tongue, while her breathing became shallow and rapid. I waited until her body was vibrating with pleasure before I wrapped my lips around her sweet, hard clit and triggered orgasm number one.

40+: After all the years, you're still going strong. I guess that has something to do with your sex high drive?

Sara Jay: Yes, I am. I love it and enjoying every day that I get fucked. I've always had a high sex drive as I remember, even back to my college days. I'd often miss class to have sex!

40+: And you still graduated Cum Laude.

Sara Jay: Yeah, but now I'm all about the 'cum.' (chuckles)

40+: Obviously, you have seen many changes in the industry over the years.

Sara Jay: Too many changes, if you ask me.

Elise squealed and threw her legs wide, pressing my face tightly against her slippery pussy. I licked, sucked and probed the slippery crack with my eager tongue until finally I had to come up for air. I sat back on the seat, fighting for breath and licking the warm juice from my lips and chin.

Elise's kiss was soft, sweet, and tender. While her naughty tongue probed my mouth, her hands unzipped my pants and pulled out my very stiff cock. My brain was screaming for me to stop before we got caught. But my cock was yelling that I should go for it and fuck her brains out.

"Let me suck it, just a little. Then I'll stop, I promise."

We both knew it was a lie, but Elise has a wicked mouth, and she loves to use it on a big, fat cock. I put a hand between her legs and let my finger slip into her wet pussy. She ducked down and let her tongue make swirling little circles around the super-sensitive head of my cock.

I fingered her pussy while she bobbed her head up and down on my cock until my entire body was shaking. A steady stream of pre-cum leaked from the tip of my cock. Elise lapped it up eagerly, sending shivers up and down my spine.

"Don't shoot in my mouth. I want it in my pussy. Please," she whimpered, as she knelt on the seat beside me. I nodded, expecting her to throw her leg across my lap for a quick, hard fuck. But again her wicked imagination fooled me. She spun around on hands and knees with her beautiful bare ass in my face.

I nuzzled the soft, warm cheeks of her ass and gave her sizzling pussy one final, long lick. Then I knelt behind her and pointed my stiff cock at her pretty pink pussy. I pushed in the head of my cock and paused. It was my turn to drive her nuts. I ached to drive my cock in her up to the balls.

"Please don't tease me. Fuck me. Fuck me hard. Make me come on your big cock," she mewled.

She was as hot as I've ever seen her. Her entire body was shaking with desire. The muscles of her tight pussy were contracting

on the tip of my throbbing cock. I reached under her dress and cupped her small, firm tits. The nipples were hard little pebbles, and I rolled them gently with my fingertips.

"Oh damn. Oh damn. You're going to make me come. Don't stop. It feels so good. Pinch my nipples and fuck me."

When orgasm number two hit, her body stiffened. She hiked her ass a bit higher, and I drove my cock deep into her pulsating pussy. I teased and squeezed and pinched her sensitive nipples while I pumped her pussy so hard and so fast that the sounds of my balls smacking her ass echoed off the interior of the limo. Cum was swirling in my full balls. I wanted to blast her pussy with my hot load so badly that my head was spinning. But I held back, sure that my hot little Elise would give me one more orgasm, the big one, the one that might blow the top off the limo.

I was right. Orgasm number two was barely over when suddenly she reared back and clawed the headliner of the limo while she bounced her ass up and down on my stiff cock. Her pussy was a milking machine. I had zero control, but that was fine with me. I wanted her to suck the big load from my full balls with her tight pussy.

When the first spurt of my seed spattered the slick, hot walls of her pussy, she clamped down and came so hard I wondered if the limo might be bouncing down the road.

I think we had a good time at the reception, but I really can't say for sure because I spent the rest of the day in a happy daze.

— Hal, Kentucky

S.J.: But there are some good things going on also.

40+: Elaborate...

Sara Jay: Today, social media has changed everything. People are not making movies, just shooting scenes. Also today, there seem to be a lot more large cocks in the biz. I don't remember so many 10 inchers, except for John Holmes, but I never had that pleasure. (laughs)

A long hot winter

Hot small town sex

One night, my husband and I were talking about our little town. I had been complaining about this one-horse Podunk since we moved here.

"This town is no duller than others," Steve argued.

"One movie, a few restaurants, and a half-assed bar," I sneered. "We've been to the bar and it was about as exciting as a Garden Club meeting."

Steve sighed. He had to admit that was true. "Maybe we'll drive in to the city some weekend," he suggested. "I'll call Al or Marnie and see they want to hang out."

I nodded. Their parties had always been fun. Even though Steve and I had only been married a year, a few times at those parties we had gotten high on weed and wine, and once I'd even found myself getting screwed with a friend named Jeremy. Steve had been in the room tongue-kissing a blonde who had her hand inside his pants, giving him a hand job. Jeremy had eaten my pussy and then gave me a terrific fuck. Another night when Steve and the blonde were horny the blonde suggested to Steve that we make it a threesome. I ended up eating her out while she lapped my pussy between getting royally fucked by Steve.

In the morning, Steve left for the office first. I had a job with an intimate lingerie boutique and I didn't have to be there until ten thirty. I was just out of the shower when I heard the chimes. Someone at the door. I wasn't dry yet so I wrapped a thick, fluffy bath towel around me, tucking it in beneath my arm and went to

the door. The little peephole showed me the face of my next-door neighbor, Jan.

I opened the door and looked at her hesitantly. Jan was my age, about forty-three, but she has mousy brown hair and freckles. As usual, she wasn't wearing makeup and she had on a conservative but attractive dress. "May I come in for a moment, Stef?" she asked hesitantly, looking up and down the apartment hall.

"Well, I'm just out of the shower, Jan," I answered, calling her by her first name as well. I stepped back. "Come on in." She looked at me, a little surprised.

"You showered again? But last night you and Steve took one together."

I stared at her then I blushed. "If you heard us doing that, then..."

She smiled, dimpling, and I noticed for the first time how pretty she was. She was only slightly plump but I'd never noticed her firm, rounded breasts because she dressed so modestly.

"Yes, James and I both listened to you and Steve fucking," she said, blushing a little. "The walls are so thin. I left my radio on, playing very softly. Just listen."

I listened and I could hear her radio clearly. "You see? So James and I listened to Steve doing all those wicked things to you in bed," she told me. She rubbed her breast suddenly as though it tingled. "James and I never had sex that way before. You know . . . in your butt."

She smiled, dimpling, and I noticed for the first time how pretty she was. She was only slightly plump but I'd never noticed her firm, rounded breasts because she dressed so modestly.

BLAIR-NTS-00

Dressing for work, I wore a red lace bra with cut-outs for my nipples and matching red-lace crotch-less briefs. When I spread my admittedly gorgeous legs, my hot cunt clearly showed.

I clutched at the towel too late. It fell and Jan stared at my slender waist, long full legs, and my well-fucked pussy. I didn't try to cover up. If she wanted to look, let her. After all, she had a pussy too!

"We go down on each other now and then, but we never tried, you know, anal sex," Jan admitted. My ears pricked up. She suddenly giggled, showing small, even white teeth. "And licking pussy, Stef," she reminded me. She nodded at mine. "I could lick yours right now." Her words shocked me and almost immediately I felt my cunt begin to get wet.

"Have you ever gone down on another woman, Jan?" I asked. I moved toward her and she took a step toward me, reaching up and fondling my naked breast.

She blushed. "When I was about younger, my best friend and I... but not since then..."

Then, our lips met. Her mouth was soft. That other time when the blonde, Steve, and I had done it three ways the blonde had eaten my pussy but we hadn't kissed. This was a first for me, my lips touching those of another woman in a passionate kiss. Her lips parted and her tongue hesitantly slid between my lips, finding my tongue. While we kissed, her small hands caressed my titties and slid down over my ass-cheeks. I shoved my pussy hard against her, reaching down and raising her dress so that my naked bush was rubbing on her pantyhose covered thigh.

My clit tingled as I humped her leg. I was

juicing heavily. I reached down and slid my hand between her firm, full thighs and felt her surprisingly thick wad of pubic hair. It was already soaked. Jan moaned and her knees buckled a little. "Oh, damn!" she said bitterly, her eyes on the living-room clock. "I've absolutely got to be at the real estate office at ten thirty. I have a customer for a big house I've been trying to sell for a year."

I felt a let-down. So horny, so turned on, and now this! "I thought we'd... you know," I said softly.

She smiled. "Oh, we will. Look, we're getting together with a bunch of friends tonight. You and Steve can come with James and me. We aren't as slow in this town as you think."

I laughed. They'd heard that too. "Okay. I'll tell Steve when he gets home. Why don't you and James come over for cock-tails about five-thirty, or whatever time you get home. We can have a drink and get to know each other before we go wherever we've got to go."

Jan smiled and slid her hand between my legs, caressing my pussy lips. She put two fingers in her mouth and licked, making big eyes at me. "Delicious. But I'll bet it tastes better after Steve fills it full of cum."

We kissed goodbye after she promised to come over. Dressing for work, I wore a red lace bra with cut-outs for my nipples and matching red-lace crotch-less briefs. When I spread my admittedly gorgeous legs, my hot cunt clearly showed. I donned a flowery full-skirted dress with no slip. The object was to sell sexy underthings and one way to do it was to turn on anyone who came in the store.

The boutique had only been open a month and businessmen in the town were reluctant to venture inside, even though I saw them staring at the sexy underwear on the window mannequins. Steve's job with a software company was secure and he didn't care about public opinion. I parked my car in the lot and walked the two blocks in the morning sunlight to the boutique. By the time I reached it, I was sure half the population knew that I wasn't wearing a slip and I had terrific legs.

I entered the shop and Myra, the owner, looked at me. "Get inside before the mayor jumps you while the police chief holds you down," Myra said, but she was laughing. "I love that dress."

"Liar," I said. "You love what's under it. Figuratively speaking, of course."

"Some figure. Uh-oh, here comes Mr. Pritchard, the local dirty old man."

I looked and a man about fifty was approaching. Wearing banker's gray suit, white shirt and tie, and the perfect model of respectability. Inside, he looked at Myra, and then at me. "I want to talk to you about something nice for my wife," he said to me. "Something like the panties with no bottoms in them."

I knew we could talk all day so I decided to demonstrate. "I happen to be wearing a pair," I told him. Want to see what they look like?" He nodded, his eyes bright "There's a fitting room back there," I suggested. "Go back and have a seat. I'll be with you in a moment."

Myra looked at me worriedly. "He could close us down, Stef. Be careful."

"It's no crime to model merchandise," I replied. I went back and Mr. Pritchard was sitting there looking at various sexy items. Sheer peignoirs, sheerer robes and baby doll PJs. I unzipped, my back to Mr. Pritchard, and whisked off my dress. When I turned his eyes bugged as he stared at my nipples framed in red lace, and at my widespread legs with my pussy in plain view.

"These cost \$79 for the set, Mr. Pritchard," I informed him. "I suggest the red for your wife and perhaps black lace for your secretary."

His eyes bugged slightly. "Yes, of course. Now, how about letting me see other, er, items on you."

I made him turn his back while I changed and he bought \$300 worth of fancy lingerie. That day we sold nearly \$2,000 worth of merch and Myra was delighted. I quit at five-thirty and got home at ten to six.

Jan, James, and my husband were having wine and laughing. Jane was telling Steve how they listened to us fuck and suck and how turned on they got. Steve was interested. "How come we don't hear you two?" he asked.

"We do it in the living room on a floor mattress," James explained.

All of a sudden, Jan came over and sat on my lap and kissed me, fondling my breast. "I told them what we did this morning," she informed me. As you might have guessed, they don't seem to mind."

Steve laughed. "Why should we? There'll be more variety for us!"

We left for their friends' house. I sat in back with James and kissed him (he wouldn't make the first move), fondling his cock through his pants. He felt my tits and then slid his hand up my dress. When he found my naked cunt I explained about the lingerie and the boutique

where I worked.

"You'll have to show everyone," he suggested and told Jan what I was wearing.

That's just what I did and we agreed that at their friend's house to have a fashion show for a larger group (invitation only) if my boss was agreeable. Two women assured me that everyone would want to own those sexy things.

A girl there named Lisa brought up the subject of penis size. "My husband, Dan," she began, "has a long cock but it's thin. Does penis size and shape affect a woman's chance to have an orgasm?"

Jan told her that her husband's cock was sort of short and thick. In about ten minutes all the guys there were stripped down and I soon got to see an assortment of cocks, five different ones, only one of them bigger than Steve's.

We showed our pussies and I told them about Steve ass-fucking me the night before. They'd never tried it and Steve agreed to demonstrate. I bent over and Jan volunteered to "warm me up" by sucking my cunt for a few minutes. She got me dripping cum, and then smeared the goo on my asshole. She insisted on guiding his cock to my cunt, dipping it in to lubricate it, and then she inserted his throbbing cock in my little rosebud, inch by inch, as they watched and cheered. As Steve began fucking my ass Jan tongued and sucked my pussy. I came fast and hard and by then everyone was sucking and fucking.

Between busy days at the boutique and frequent "meetings" with our new friends, I live a busy fun and fuckfilled life. It's definitely going to be a long, hot winter.

We left for their friends' house. I sat in back with James and kissed him, fondling his cock through his pants. He felt my tits and then slid his hand up my dress.
